

## Advanced Central Evaluation (ACE) participation

I agree to the data from my flock being used in an across-flock and across-breed genetic evaluation for the purpose of calculating the ACE indexes across linked SIL flocks from this date forward. I will notify SIL if I wish to revoke this agreement.

Please note that in making available your data, you also agree to the publication of results for any ram from your flock which ranks in the top 25% of an index.

Name: \_\_\_\_\_

SIL Flock Number/s: \_\_\_\_\_

Flock name/s: \_\_\_\_\_

**There is no need to send in this form if you are already participating in ACE currently.**

Please photocopy this for your own records if you wish

Signature: \_\_\_\_\_ Date: \_\_\_\_\_
